2/17/71

Dear Harold —

Here are the clippings on Lewis Powell and Hale Boggs.

I am ordering your book and really looking forward to reading it. Yes, I would appreciate a copy of the Publishers' Weekly review. Best, Sylvia

P.S. I was not planning to read Epstein's latest whitewash, pseudo-fact-finding, and finkery. It turned my stomach just to read about it. He is just a moral pervert.

Sylvia
